SIMPLE IRA CONTRIBUTION FORM

INSTRUCTIONS

Use this form to remit SIMPLE IRA contributions for your employee's salary deferral and your employer (matching or non-elective) contributions. All requested information is required. Unclear, incomplete or incorrect instructions (e.g., your check amount and your contribution allocations do not match) may result in delays in processing, including return of your check to you.

If you prefer, you may remit your plan contributions by creating your own spreadsheet that provides the same information that we request in Section 2. If using this option, please be sure to write 'See Attached' on the form, sign this SIMPLE IRA Contribution Form and print and attach your spreadsheet to the signed form before mailing it.

For efficient processing, please forward your instructions to your **IB**. Your broker will forward the form once the instructions have been received from you.

For IBs - upon receipt, please forward instructions to Document Imaging for processing.
